

## Oxy-Tex 5998

### Products/Procedures

**FABRITEC 5998 OXY-TEX** is a highly effective color safe, oxygenated bleaching agent. Unlike harsh chlorinated bleaching agents it is environmentally safe. OXY-TEX breaks down in the wash process to only oxygen and water.

OXY-TEX should be added during the wash cycle via a Fabritec dispensing device to ensure optimum results. It is recommended the bleach be added at a rate of 2-4 oz. per 50 pounds of wash.

#### PHYSICAL CHARACTERISTICS:

- APPEARANCE: water white mobile liquid.
- ODOR: mild
- Nonflammable
- pH: slightly acidic

Note: Safety Data Sheet (SDS) available on request. Call 1-800-543-0406.

The logo for Fabritec Brand Detergent features the word "Fabritec" in a large, stylized, light blue font with a white outline and a registered trademark symbol (®) to the upper right. Below it, the words "Brand Detergent" are written in a smaller, italicized, light blue font. The entire logo is set against a light blue, oval-shaped background.
