
TITLE STAMFORD 6751 OGR-GES

OGR-GES oil and grease removal for GreenEarth® Solution is a safe and effective stain remover. It is effective on all types of stains and is safe for all fabrics including silk, rayon and sheer polyester. **OGR-GES** is safe on most colors, however, if in doubt, the garment should be tested for color fastness.

USE INSTRUCTIONS:

Apply OGR-GES full strength to stain on dry garment. Work stain with OGR-GES with spatula and/or tamp with spotting brush. Avoid steaming. Clean immediately or flush with a volatile solvent and feather with air.
